**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I cant begin to express how fiber broadband has made my life better. Previously, due to the distance from my condo to the central office, I had horrible DSL speeds, at a non-competitive price.

Now with Sonic, I have gigabit internet at a super competitive price. This competition is necessary to keep the large incumbents from charging exorbitant rates and slowing down innovation in the process.

Please keep the internet competitive!
